Before your first day you will receive a Welcome Email with additional information and access to our new Y Camp Imagine Handbook. This information will outline some of our policies and authorize us to provide sunscreen if needed. We will be moving to an electronic sign in attendance system at each site beginning April 27th. You will need to be registered in advance to be able to attend. Please note that if you are not registered, you will need to complete registration online or over the phone before dropping your child off.

Please provide at least 48 hours of notice for any cancellation or schedule adjustments. Those requests can be made by emailing registration@seattleymca.org.

FEE
Daily fee is $45 and financial assistance is available. First payment is required at the time of registration. First responders, direct service medical personnel and essential workers as defined by Governor Inslee’s order, will have their fees waived 100% for the program. Please use the coupon code you were given the last time you registered to waive the fee or send an email to registration@seattleymca.org before registering to receive your special coupon code.

PLEASE NOTE: We can access visual instructions to assist you with registering. This is a NEW process to allow flexibility for families by providing daily options. If you have any questions, please email us at registration@seattleymca.org.

PREVENTATIVE HEALTH PRACTICES
We wanted to take a moment to share with you our preventative health practices because the well-being of staff, youth and families are our number one priority.

- Anyone who is exhibiting symptoms of COVID-19 will be required to remain home.
Wellness check will be conducted for all staff and youth before attending program, including a temperature check. Anyone with 100.0F degree or higher will not be allowed to remain.

Youth will be organized in small groups (9 youth and 1 staff) and rotate through activities as part of social distancing and to meet the developmental needs of youth.

Ongoing cleaning will be scheduled during the day, especially in common areas.

Frequent handwashing and use of hand sanitizers will be used.

Nightly disinfectant cleaning will be done as an additional measure.

Parents/Guardians will be dropping off and picking up at the entrance and not allowed to access the program space.

We are so glad to be able to continue to support you through this difficult time. If you would like to support the Y work, please consider making a donation at https://www.seattlemca.org/donate
This will help support families in need, homeless youth programs, and providing meals for youth.

In this together,

Y Staff
