

## Virtual Visits: See and speak with a therapist online.

### No driving. No crowded waiting rooms. No fees.

Schedule a virtual visit with a therapist. Virtual visits use secure video-conferencing technology to connect you with EAP providers over the Internet.

With virtual visits, clinicians can evaluate and treat general mental health conditions, such as depression and anxiety. Treatment is provided by therapists who are part of Optum’s EAP provider network.

#### Virtual visits offer you:

- Convenient appointments that work with your lifestyle
- A network of therapists in all 50 states
- The care you need sooner<sup>1</sup>, in the comfort of your own home\*
- Secure, HIPAA-compliant technology
