Dear Healthcare Providers and First Responders:

There is nothing more important than keeping our community safe and healthy during the COVID-19 outbreak. However, we know that cannot be done if our first responders and healthcare professionals are lacking childcare.

Evergreen Public Schools would like to offer FREE childcare – tentatively named Camp Evergreen, to the children of First Responders and Health Care Professionals. This program will tentatively be open from 6:00 a.m. until 8:00 p.m. Monday through Friday. This camp will be accepting children from ages 30 months to 12 years old.

Camp will be staffed by qualified, background-checked school employees located at a central location within our school district. As we make plans to set-up, we need to ascertain the need for the service.
